

Immediate Implant Placement and Provisionalization - LIVE SURGERY

April 27-28th, 2018 | Verona & Utica, NY

LECTURE + HANDS ON
Subject Code: 704

Description

This 2 day immediate implant placement and provisionalization (IIPP) program is designed to educate the dentist in a scientifically proven and clinically advantageous procedure. This intense program, "springboards" the clinician's ability in streamlining single tooth replacement in as little as 2 patient visits. The didactic, hands on and LIVE surgery observation concept of learning reinforces retention and implementation. The program focuses on a major process that can positively enhance patients lives with exponential financial growth for the practitioner. This is accomplished by less patient visits, higher referrals and ideal esthetic outcomes.

Key Points

- Understand immediate placement and provisionalization (IIPP) protocols
- Be able to implement the procedure into their practice immediately
- Demonstrate the entire protocol via a "hands-on" exercise
- Observe the IIPP process via Live Surgery
- Develop treatment choices based on "decision trees" presented for various clinical scenarios
- Demonstrate "Live" Platelet rich plasma / fibrin preparation and utilization

Instructor

Brian Jackson, DDS is a Board-certified implant surgeon and reconstructive dentist who has been surgically placing and restoring dental implants for over 20 years. He received his Doctor of Dental Surgery degree at SUNY/Buffalo, School of Dental Medicine and completed post-graduate training at St. Luke's Memorial Hospital Centers General Practice Residency Program. Dr. Jackson completed his formal oral implantology training at New York University, College of Dentistry. He is a Diplomate of the American Board of Oral Implantology/Implant Dentistry (ABOI/ID) and an Honored Fellow of the American Academy of Implant Dentistry (AAID). Dr. Jackson has been published in numerous peer reviewed dental journals and has presented at numerous implant conferences in the US and internationally.
